The City of Bloomfield Hills will begin Cranbrook road construction in the spring of 2010. A preliminary schedule is described below. Additional details to follow as the project develops.

**PHASE I**
- **APRIL 2010 COMMENCEMENT**
  1. Cranbrook road bridge restoration
  2. Brady Lane bridge restoration
  3. Road resurfacing

**PHASE I UPDATE**
- **FEB 15, 2010**
  Cranbrook road bridge work will not begin until mid-May and continue until August.

**PHASE II**
- **JUNE 14TH COMMENCEMENT**
  Road construction work as follows:
  1. Paving and bridge work at Cranbrook & Lone Pine road intersection.
  2. Paving on Cranbrook road from Thornlea to Lone Pine.
  3. Lone Pine paving from Cranbrook to Woodward.

**PHASE III**
- **MID AUGUST COMMENCEMENT**
  (after completion of Phase I & II)
  Lone Pine will be resurfaced from Cranbrook to Lahser road.

**GENERAL NOTES:**
1. Access to Cranbrook buildings will be maintained at all times.
2. Conditions may require access from one direction only (at times).
3. Barricades and road signs will inform drivers of current conditions.
