Situated on what Paul Goldberger of The New York Times calls “one of the greatest campuses ever created in the world,” Cranbrook Schools is a coeducational, college-preparatory boarding and day school with 820 students in grades nine through twelve. Attracting outstanding students not only from Michigan and the Midwest but from across the United States and around the world, Cranbrook believes that, in today’s competitive environment, preparation for college should be comprehensive and challenging.

Cranbrook Schools provides a superb teaching and learning environment that cherishes and challenges the individual, encourages creative, critical, and independent thinking, and offers the broadest possible range of academic, artistic, and athletic options.

Please join us at one of the receptions below to find out why a Cranbrook education truly offers opportunity that you will find nowhere else: Opportunity that lasts a lifetime.

**How to Apply:**
Students who wish to be considered for scholarships must first apply to Cranbrook Schools. To begin the application process, visit the Cranbrook website at schools.cranbrook.edu/apply.

**Important Dates:**
The Cranbrook Schools Admission Office must receive all parts of a student’s application by January 31st for priority consideration. The recipients of the scholarships will be notified by March 10th.

**Need-Based Financial Aid Grants**
We recognize that the cost of private education requires a significant commitment from families. Many of the above scholarships can be awarded in conjunction with need-based grants. For students who qualify for admission to Cranbrook, but are not selected as a scholarship recipient, the possibility for need-based financial aid exists. Cranbrook Schools’ financial aid grants are awarded based on a family’s demonstrated financial need. Families should complete the financial aid process by January 31st for priority consideration.
